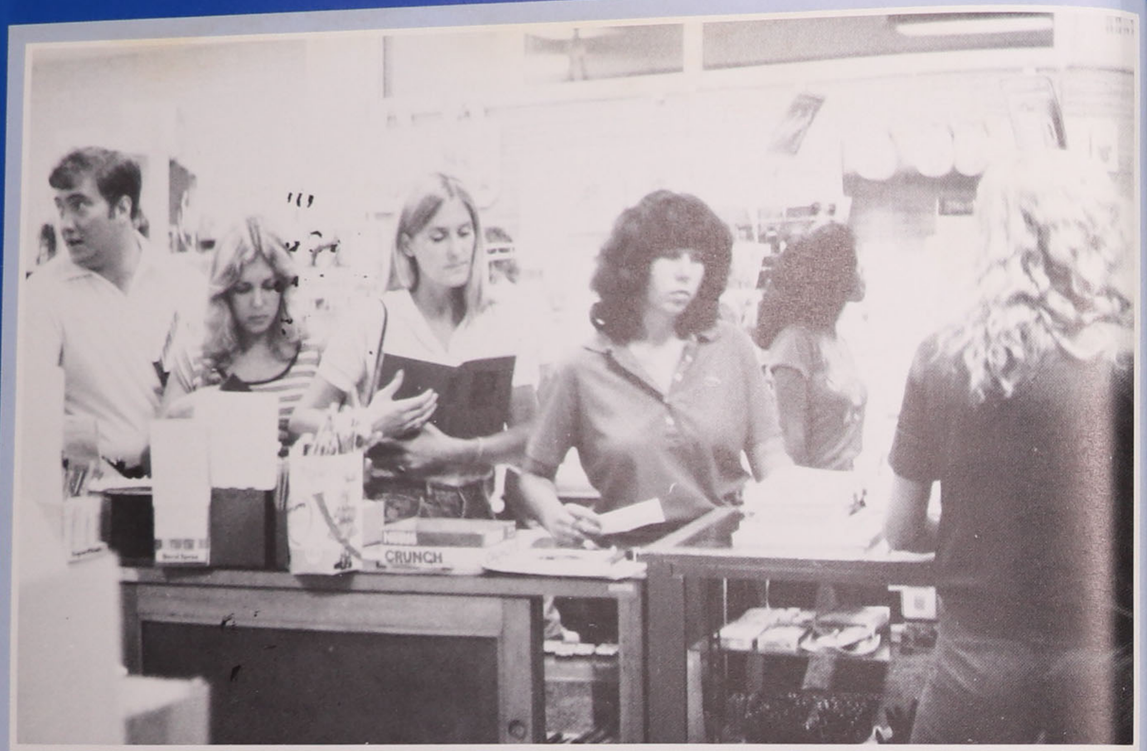
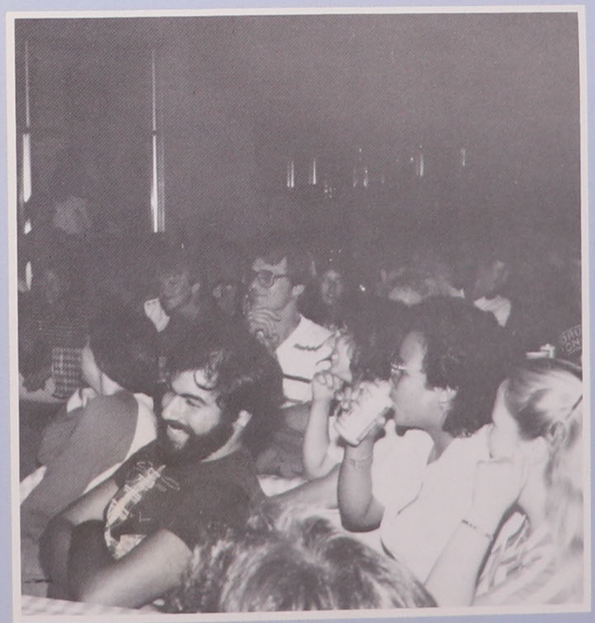
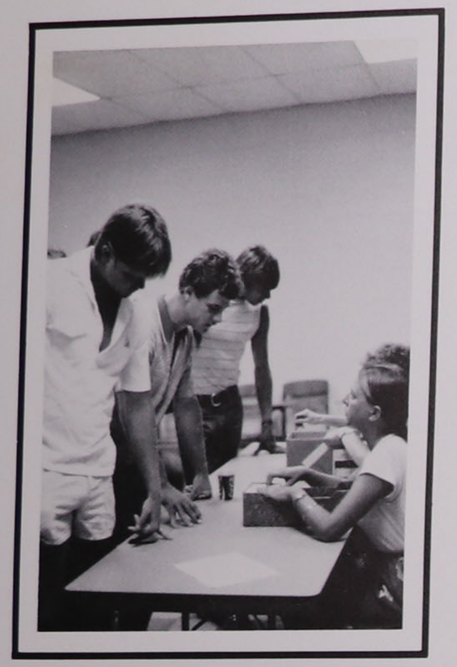
SAINT LEO COLLEGE
SAINT LEO, FLORIDA



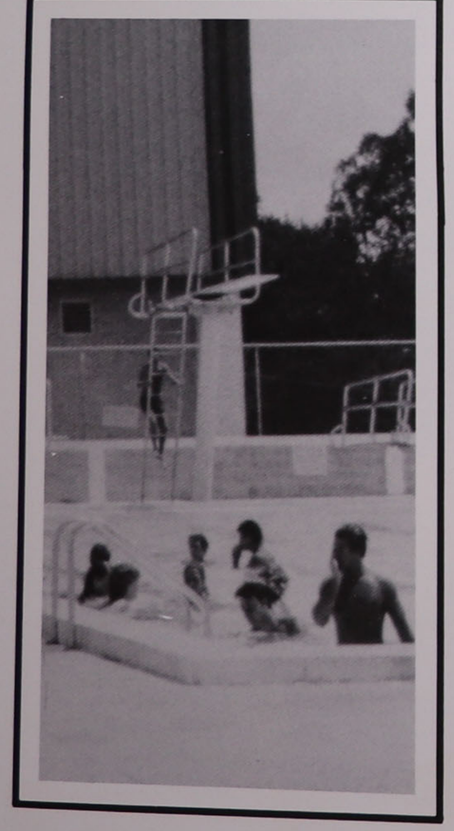
STUDENT LIFE . . .

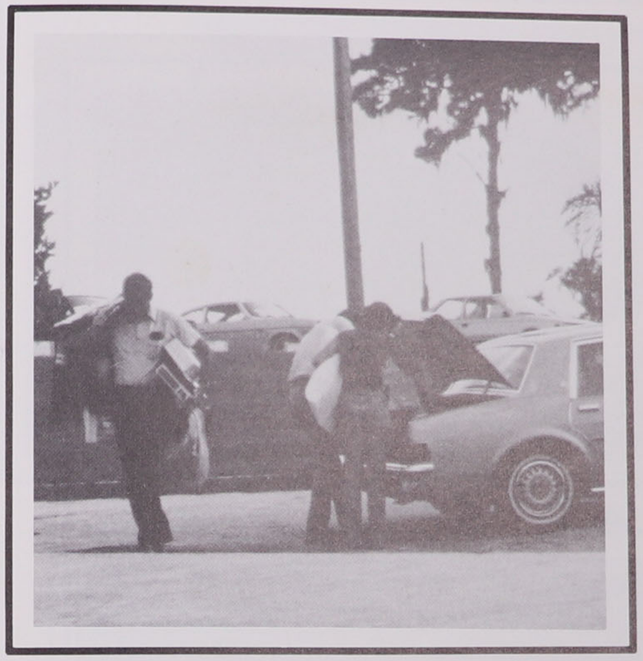


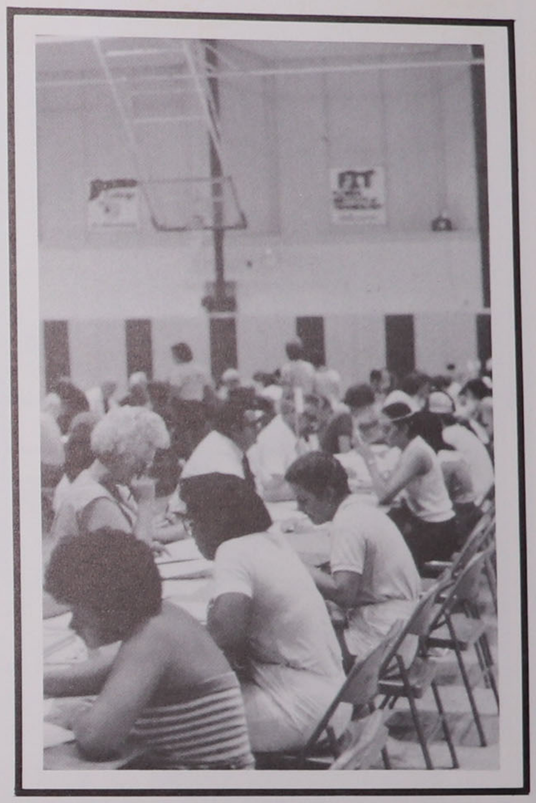
Along with the academic lessons we experience in our years of college is the education we acquire through the participation in student life. Education from socializing helps to prepare us for the future as well as our book lessons.

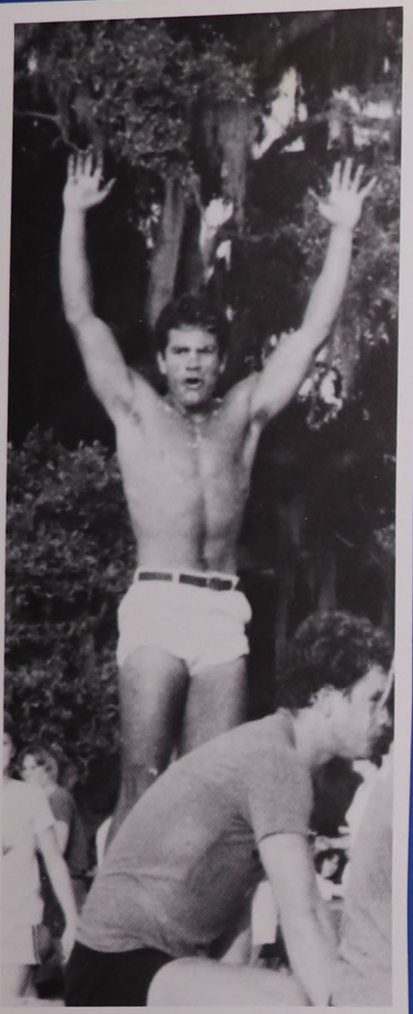


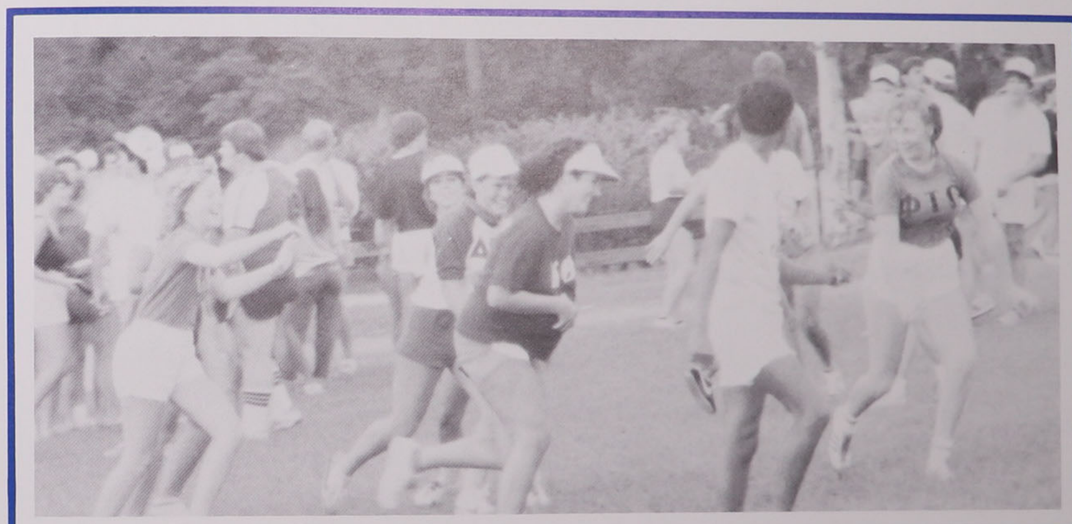
The first week of moving in and orientation is always filled with excitement and anxiety! For the returning students St. Leo is home; for the new students it is a new beginning. For all it means memories and friends for a life time!!





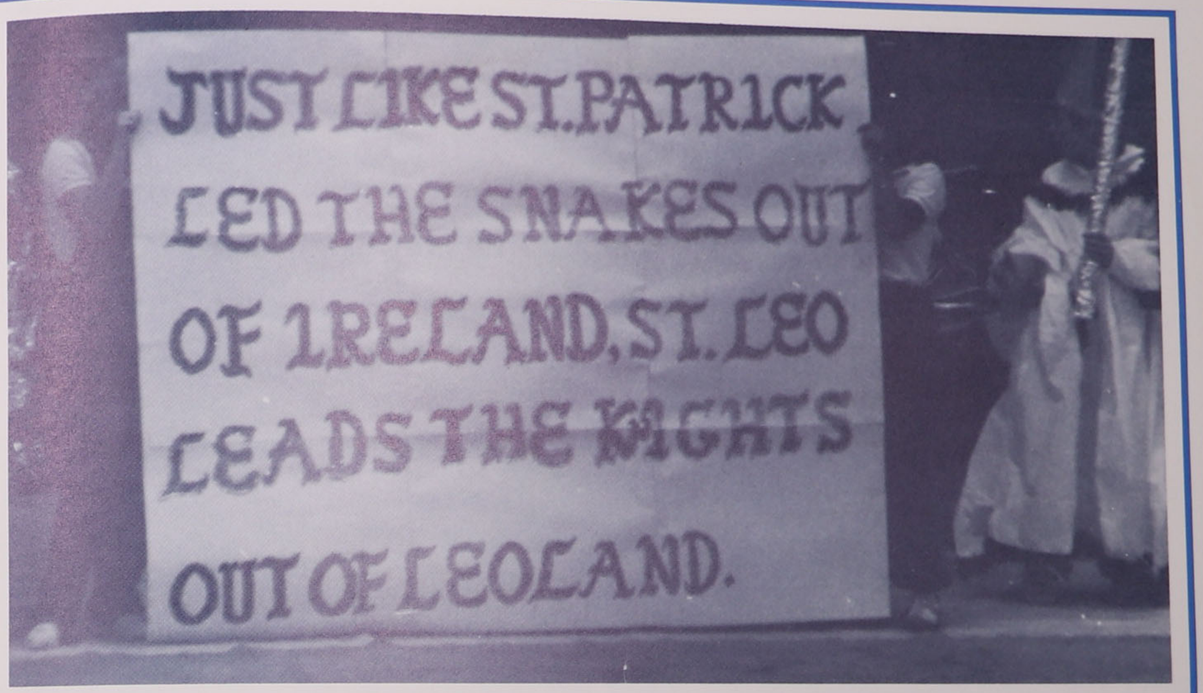


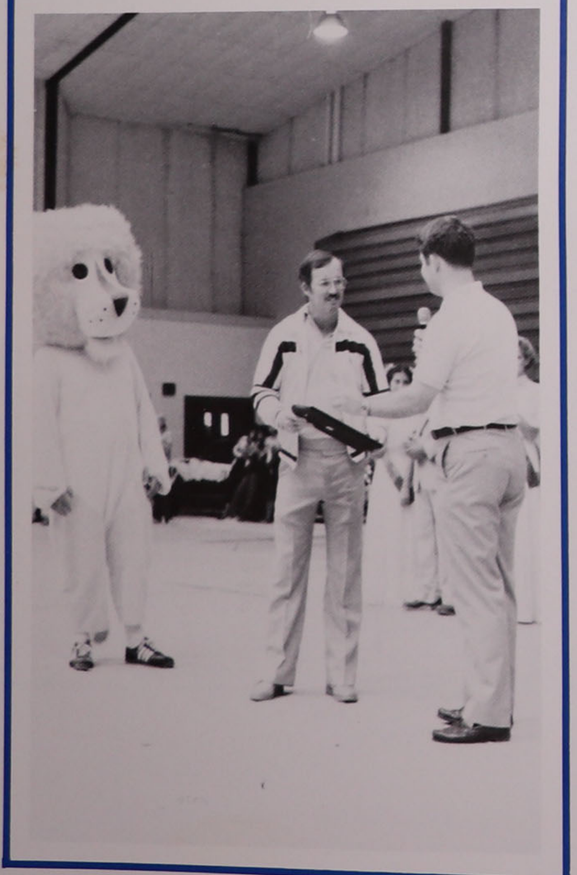




SGA DAY — The sun shining, the barbeque sizzling . . . SGA Day was great fun allowing for everyone to get together and do their own thing and "get involved".

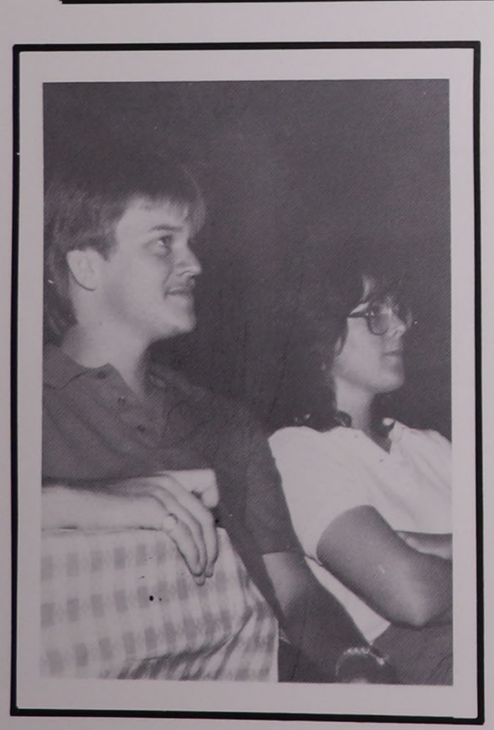
The Irish Festival was filled with much green and many leprechauns. But, mostly it was filled with many opportunities to experience the life styles of the Irish through music, plays, poetry, food, crafts and dances.

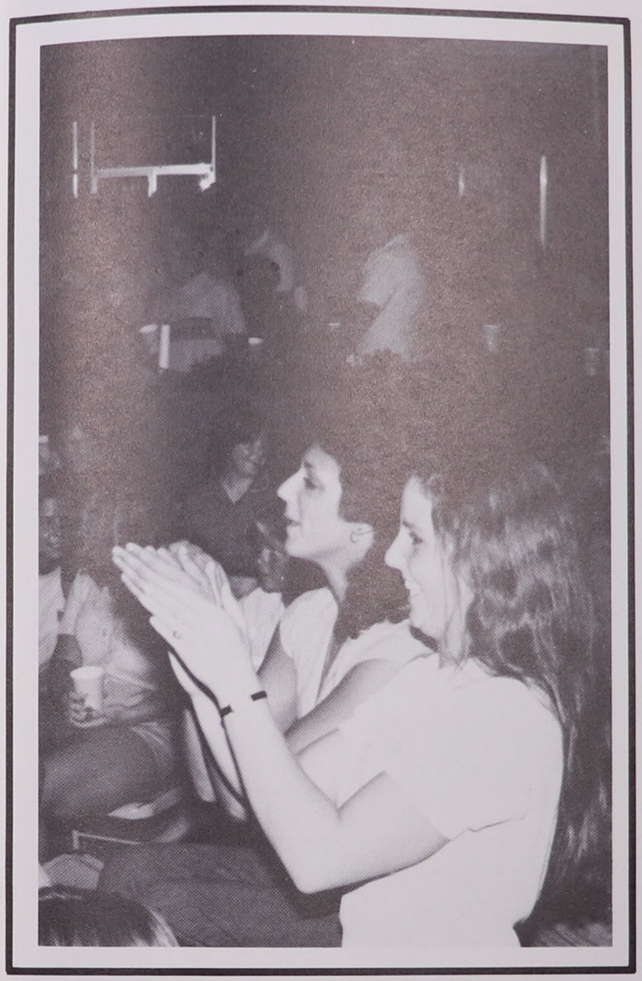


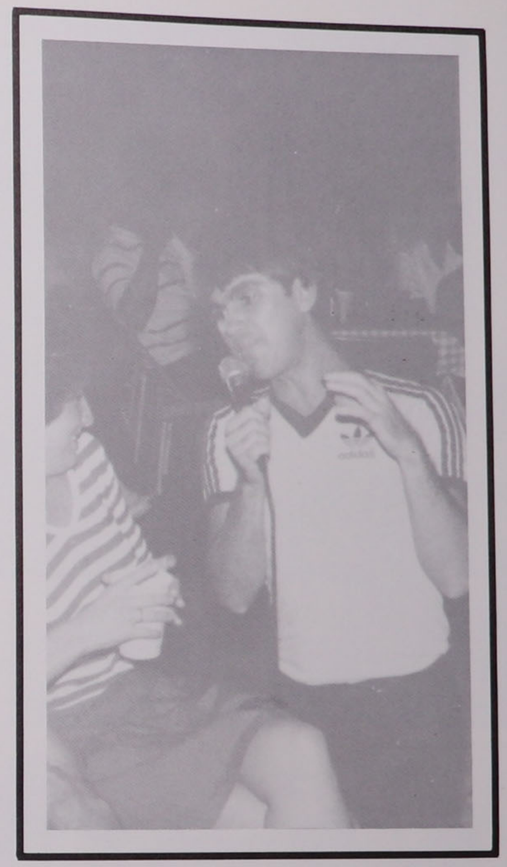


1982 HOMECOMING King Paul Salone and Queen Eileen McGlinchey

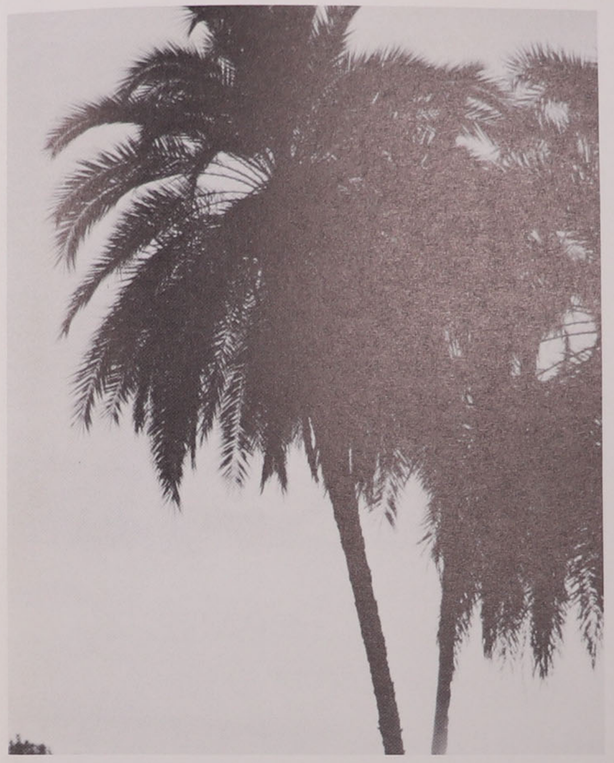
Homecoming Weekend is filled with fun and laughter shared by friends, family and alumni.







Entertainment
There is always some form of entertainment that can be found on campus. A great gathering spot for fun is the McDonald Center where entertainment ranges from movies to bands, dances and other diverse talents can be found.



. . . THE EDUCATION OF THE SOUL.

IN FOND REMEMBRANCE

Dennis Quenneville, Manager of McDonald Cafereria since October 1975, died suddenly on February 22 and will be missed by everyone. A truly caring individual, he had the unique ability to delight everyone's palate while keeping them entertained with his jovial personality.

A native of Windsor, Ontario, Canada, he received his postsecondary education there and is a graduate of Windsor Business College.

DEDICATION

The 1982-83 Golden Legend is dedicated to the whole *Student Body* of Saint Leo College.

It is the men and women of Saint Leo College that have filled the year with all of it's unforgetable moments and everlasting memories. It is the combined talent of each individual that will leave the college another year older and wiser.

Throughout the year the students showed and expressed their unique ability to pull together in times of crisis, showing concern and compassion for one another and giving support to help one another and make things better than they were. In times of celebration and joy all have joined together to praise their allegiance to Saint Leo College, the governing force that binds all together.

So, this yearbook stands as a dedication to all who have spent the year living, laughing, loving, and caring enough to make Saint Leo College a community filled with a true understanding and every day example of friendship and camaraderie.

To all the voices and faces that represent an integral unit that helps to make our community complete — enjoy the yearbook because you made 1982-83 a year to remember.

"Nothing in life that is worthy is ever too hard to achieve if you have the courage to try it. And you have the faith to believe. For faith is the mover of mountains, there is nothing that God cannot do. So start out today with faith in your heart — and climb 'till your dreams come true."

This year each residence hall established a self governing body for the students residing on campus. These governments have control of the activity fee that is charged to each resident student. This fund is used for hall improvements, social, recreational, and educational events.

These organizations give the residents the means to have a voice in how their living environments are operated. This gives a sense of belonging and identity to the students. Living in the halls gives the student a chance to learn outside the classroom by meeting, and learning how to get along with, other students who may have different cultures, backgrounds, and/or experiences. The self-governing bodies let the student maintain a strong voice in how the learning environment is structured.

These endeavors include helping to enrich the students cultural awareness of Irish history during the Irish Festival, helping the campus with their Thanksgiving Drive and helping to get the whole campus thinking with the campus wide Brainbowl competition. The society is proud to announce that its membership is increasing. The aspiration of Gamma Alpha Honor Society is to be accepred into the national honor society — Delta Epsilon Sigma. This year the society has worked hard to bring this aspiration closer to reality.

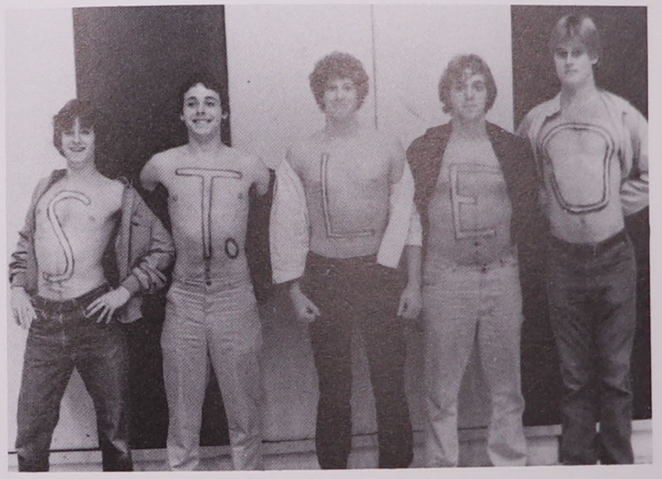
GREEK LIFE

Greek organizations, founded more than 20 years ago, were formed by, and for, a group of men and women committed to a unifying force which would help those involved to grow in togetherness and serve the college community through sisterhood and brotherhood.

Belonging to a sorority or fraternity is a demanding responsibility because once a member there are never ending service projects, money making projects and social events that must be planned and attended. The dedication that is required by all Greek members is one reason why they continue to prosper on campus; Greek life calls those who are willing to be hard working, dedicated and concerned enough to continue to work and grow in sisterhood or brotherhood through serving one another and the community.

Unfortunately when many refer to Greek life they think of it as being full of fun and parties, neglecting to take into account all of the beneficial services that the Greek organizations perform. Of course being a member of a sorority or fraternity does also include much fun, because when a group of people who have much in common, and, are like family, get together there does tend to be a comfortable atmosphere allowing everyone to be their natural self which leads to alot of spontaneous fun and lasting friendships. Greek life allows for a good well rounded growing experience for anyone who dares to attempt it. It allows for personal gaining of responsibility, loyalty, and relationships with "sisters" and "brothers" that will be everlasting and lead to many memories.



The first step to becoming a Greek member of a fraternity or sorority is to go to rushes and choose which organization you wish to be a part. From then on pledging the frat or sorority of your choice is a memorable occasion that one is not likely to forget. Pledging allows the prospective new brother or sister a chance to get to know the members of the organization and gives the pledge time to learn all about the fraternity or sorority they are pledging. Through pledging the pledges get their initial exposure to togetherness, sisterhood, or brotherhood, which from their pledging days forward they will always experience as an active member of their fraternity or sorority.

PLEDGING

The Inter Fraternity Council is the governing body over the local fraternities at Saint Leo. The purpose of the Inter Fraternity Council is to get all of the fraternities together and to help keep brotherhood flowing among all fraternity members.

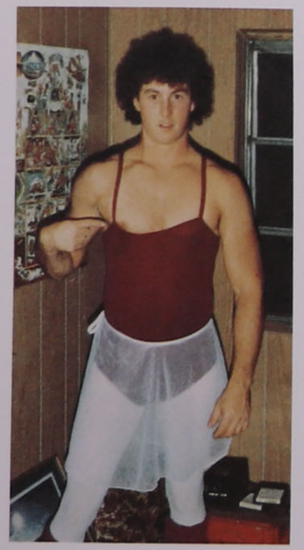
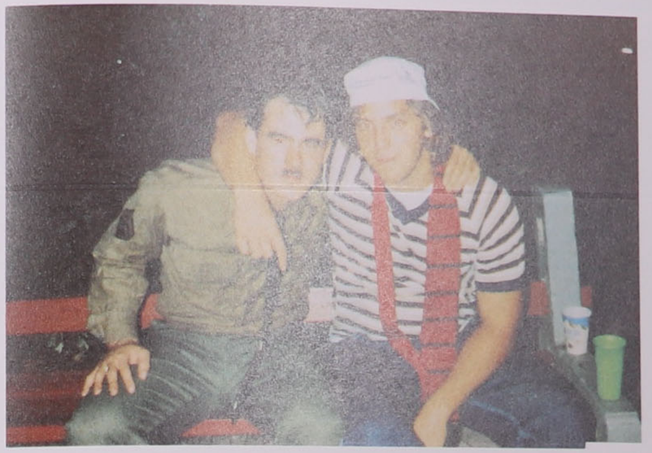
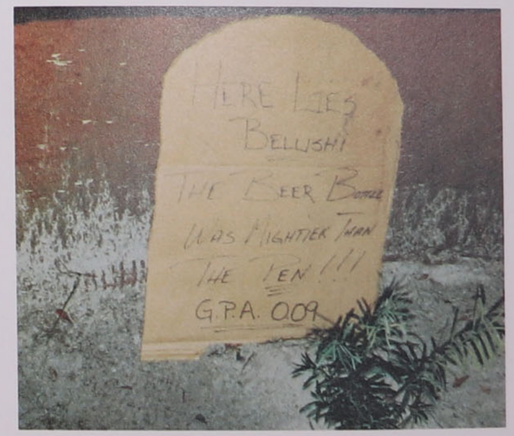
ACTIVITIES

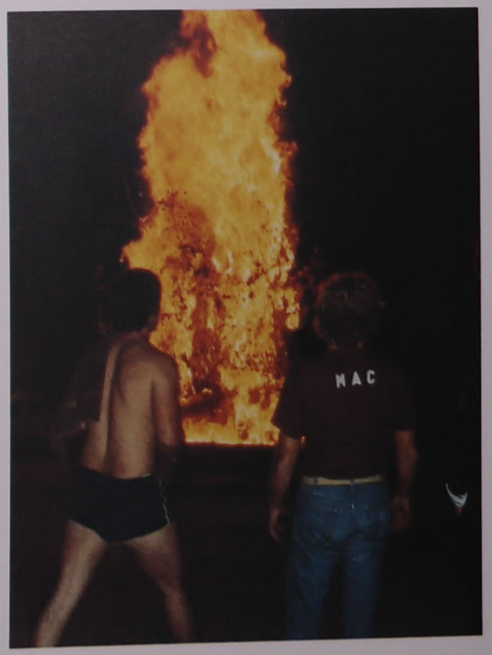
KAE HALLOWEEN PARTY







Kappa Alpha Sigma holds an annual Halloween Party. The usual gouls, gobblins and drunks made an appearance, along with smurfs, bunnies and various "clowns". The first place winner and the best of the night was The "Clothline". Wonder what next year has in store.



THANKSGIVING FOOD DRIVE

This November during Thanksgiving time the Saint Leo College community showed their unique ability to pull together and spread love and happiness to those less fortunate. Together the college community gathered 72 baskets of food for the needy. This years fool drive was very successful and sets a high goal for next year.

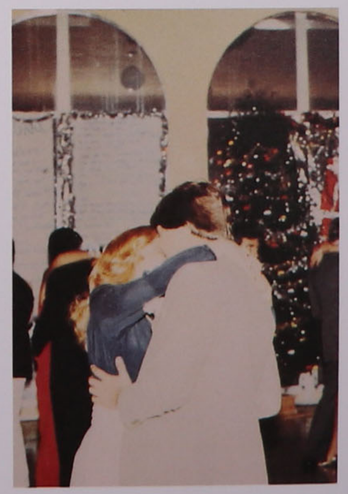
BLUE MOON

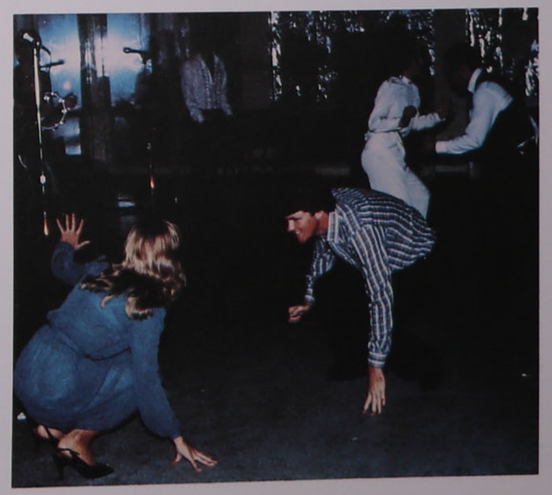
Phi Tau Omega and Sigma Lambda presenred "Once in a Blue Moon" at the Student Center on November 30th. It was a fun night filled with music, singing and a full moon.

The 15th annual Alpha Sigma Christmas Formal was on the 4th of December. This year's theme was "A Heavenly Christmas". The night's entertainment was "Sudden Change" provided by the College Union Board. The climax of the night was the crowning of the Winter Queen. The evening's enjoyment finished with the traditional champagne breakfast. The Alpha Sigma sisters weeks of hard work preparing for the celebration paid off when they saw their classmates join them in the fun of the occasion!

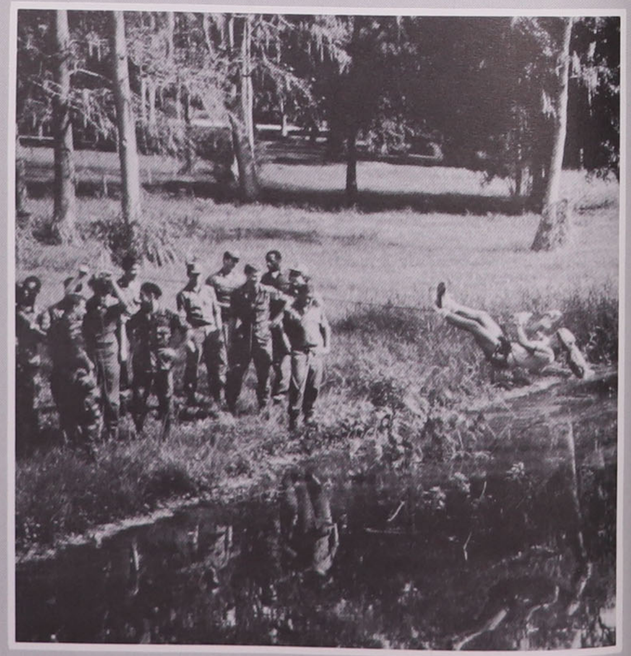
"A HEAVENLY CHRISTMAS"

Winter Queen: Opal Buchanan and Escort: Micheal Jones





ROTC

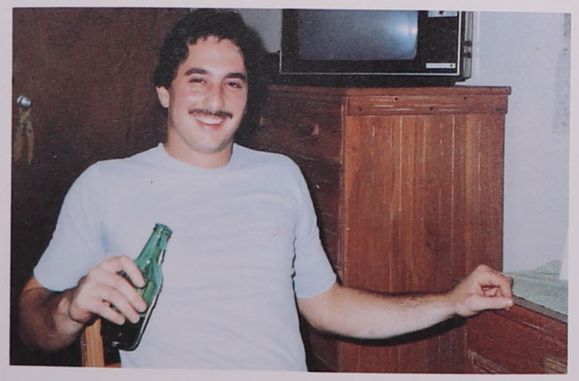


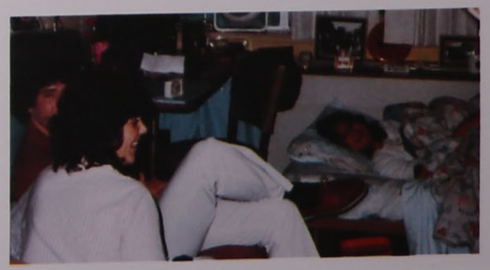
The Reserve Officer Training Corp at Saint Leo College is an active part of the college community. The ROTC prepares men and women for active vocations in the Army after graduation. The ROTC program provides a well rounded program aimed toward developing the physical and mental characteristics of it's participants.

Gold Bar Race winner.

RESIDENTIAL LIFE

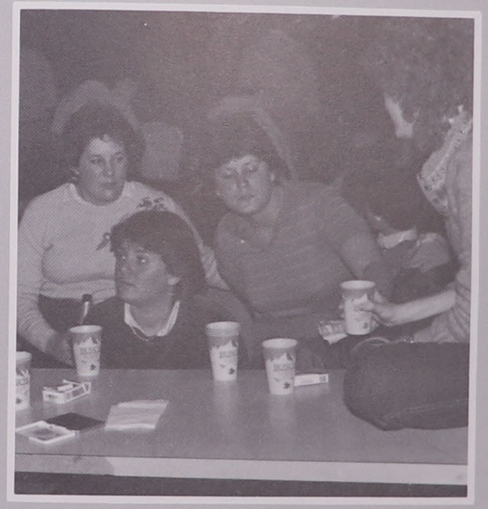
Another added factor to the development and growth of any student is Residential Living. From campus life one gains the experience of friendships and good times that are a needed break from the pressure of school work. They are experiences that will never be forgotten.



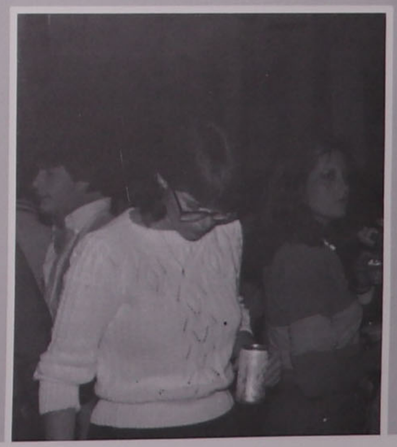


100 DAYS TILL GRADUATION

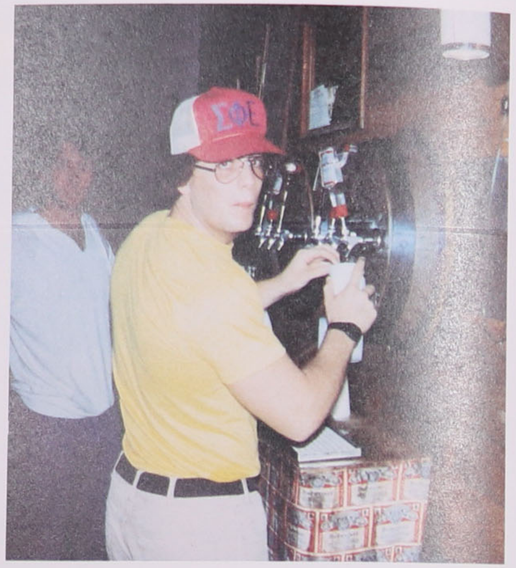
100 Days to Graduation was more than a celebration for the Class of '83. It was a party where seniors and underclassmen alike enjoyed good times and good music. To add to the fun party a Q 105 DJ was on hand. He kept the celebration going and helped to make the 100 days to graduation party a big success. This enjoyable event was co-sponsored by the Senior Class and the College Union Board.



GOOD LUCK SENIORS!

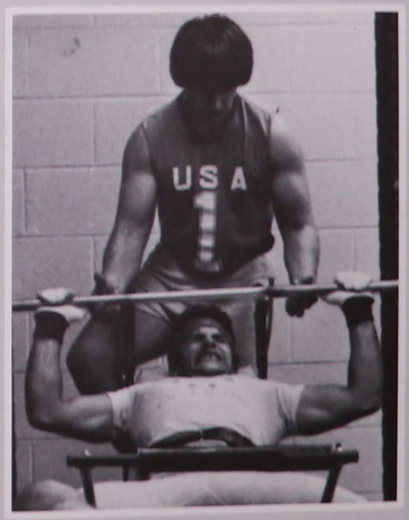


LEISURE LIFE

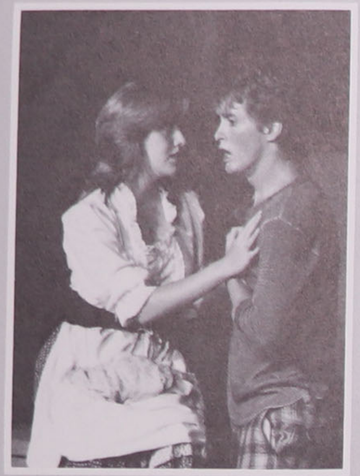


FITNESS CRAZE

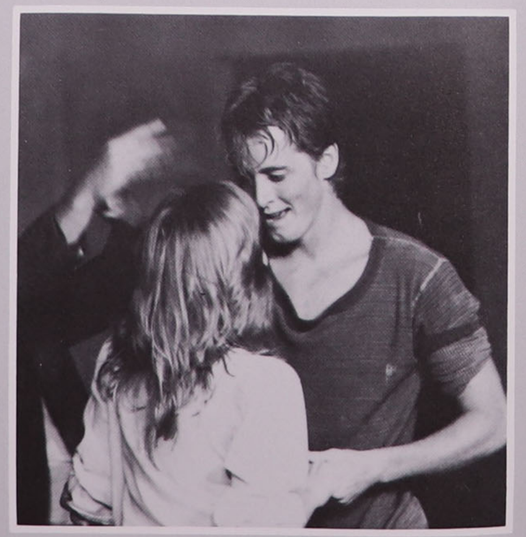
There seemed to be a fitness craze going on all over campus this year. People were exercising and relaxing with every type of sport. When the weather was right there were the sounds of tennis and raquet balls being smashed, cyclists and joggers could be sported all over and the basketball courts were full of cagers scrambling around.

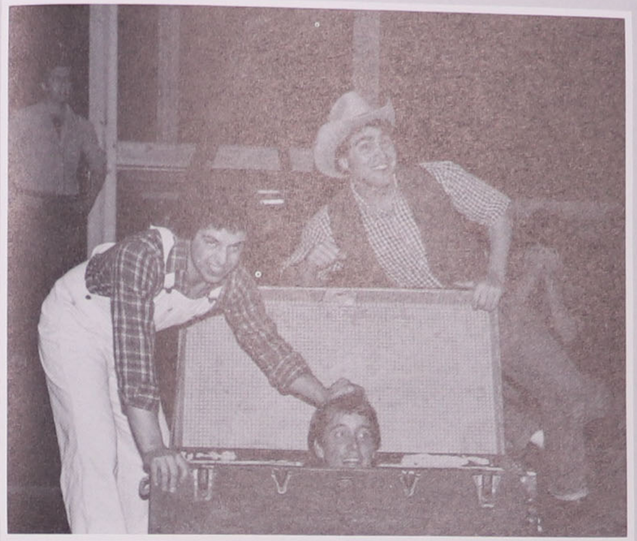


"PLAYBOY OF THE WESTERN WORLD"



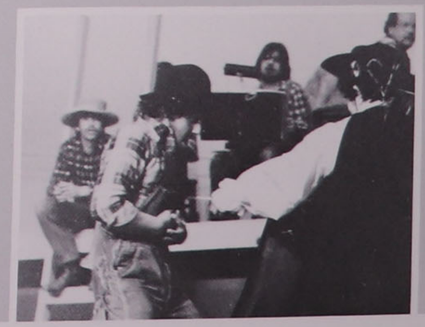
The production of "Playboy of the Western World" by John Millington Synge was performed in October in conjunction with the Irish Festival. The play was directed by Dr. David Golden and was well acted by the Saint Leo College student cast. The comic romance helped to protray what Irish life was truely like, setting the atmosphere for the Irish Festival.



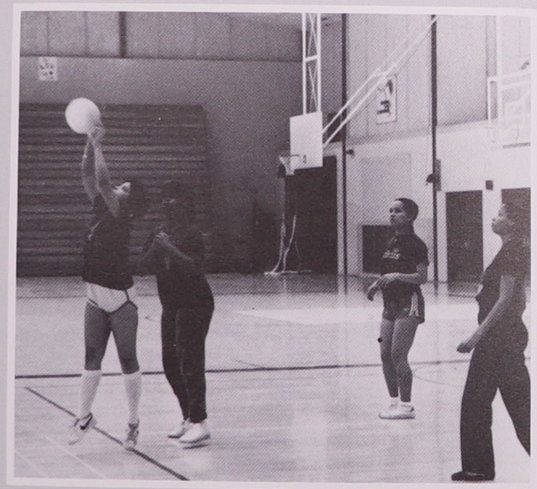


"THE ROBBER BRIDEGROOM"

"The Robber Bridegroom" was performed in the college theater in early February. The musical based on Evdora Welty's novel contained theiving, lying, and jealousy, aspects which made the play realistic and enjoyable. The play had something for everyone, comedy, seriousness, and romance. The cast and crew of "The Robber Bridegroom" did a wonderful job protraying the atmosphere and conditions of backwoods Mississippi.

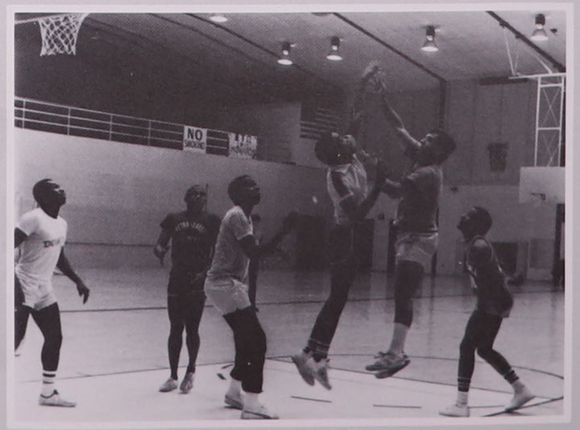


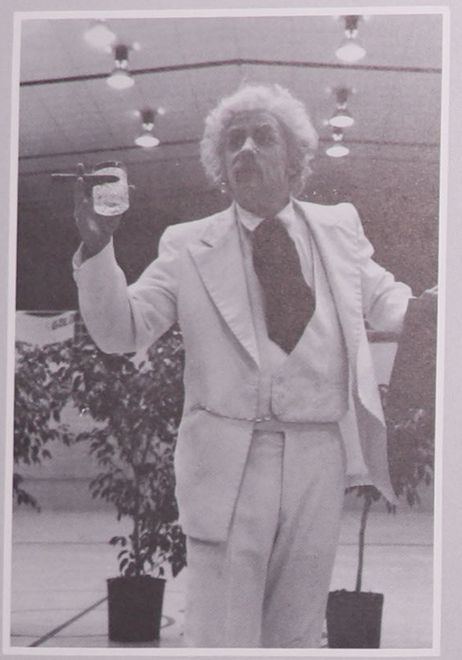
INTERNATIONAL WEEK



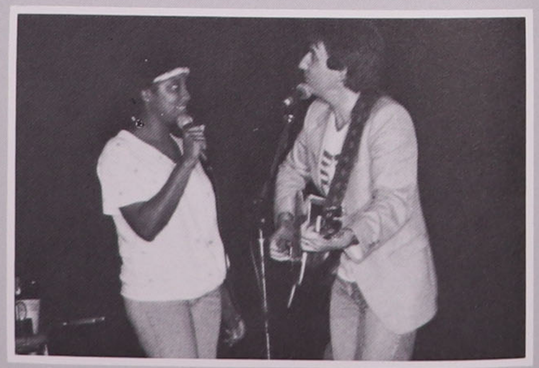
This year marked the beginning of the Saint Leo International Student Association which was a growing revision from the International Club of the past years. The Saint Leo International Student Association had a good year growing in strength, stability, and unity.

International Week was a week of activities welcoming all campus organizations to get involved and have fun. The week ended with the traditional International Night program. It was a night filled with beautiful costumes, music, and much talent.





Ken Richters performed as "Mark Twain" and delighted the audience in his efforts to relive the days of Samuel Clemmons. Richters is a clever entertainer who managed to combine wit and humor in a nostalgic manner in performing for the Saint Leo student body and guests. Richters has performed all over the United States at different college campuses as well as in many theaters, and has performed for the United States Congress in Washington D.C.

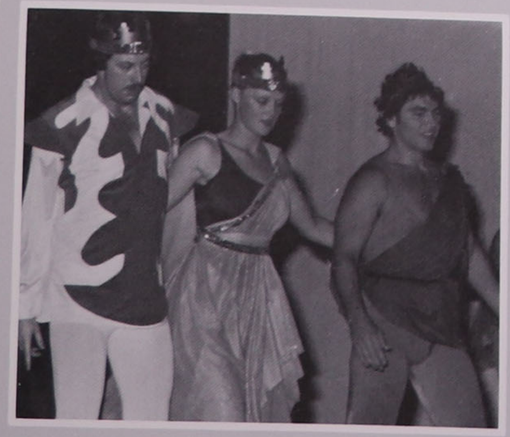


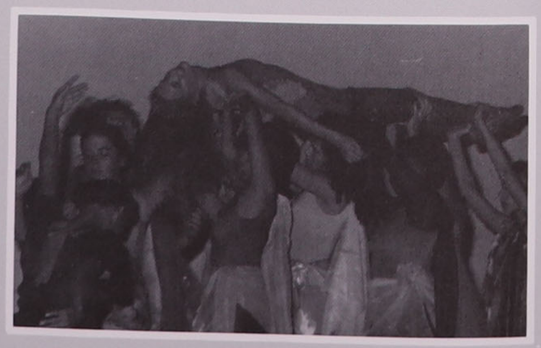
Gene Cotton is an outstanding guitarist who is very accomplished in his field. He entertained Saint Leo students "Coffeehouse Style" down in the Student Center.

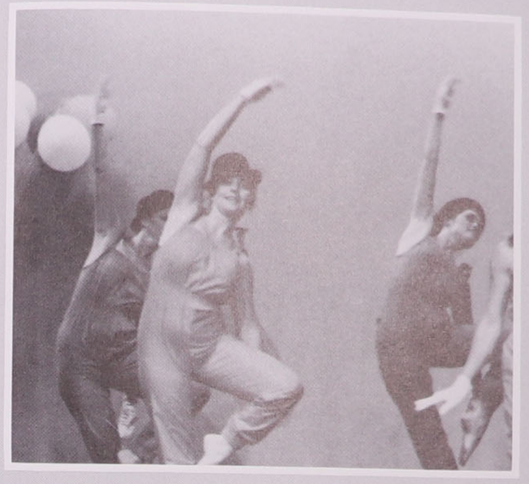
SWEETHEART DANCE

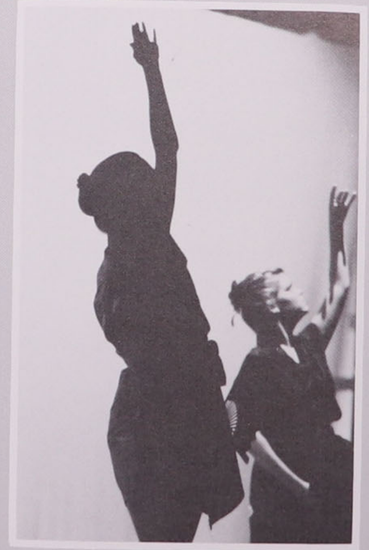
The annual Valentine's Day Dance sponsored by Psi Thera Epsilon Sorority was a sweet success. Each organization on campus put up their Sweetheart couple. All the candidates were voted on and the reigning Sweetheart couple for 1983 is Jeannine Rojer and Donald Bakhuis.

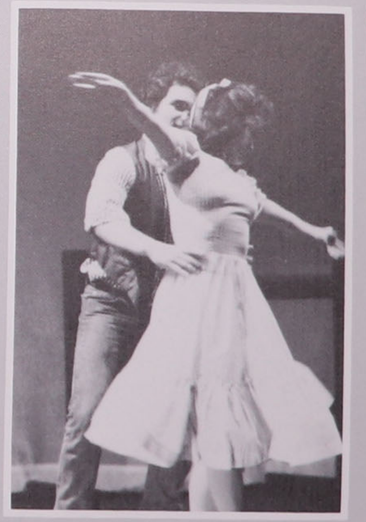
LAKE ECHO SUITE BALLET









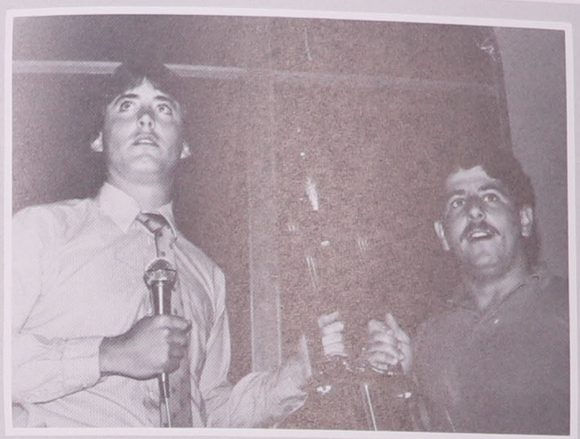


"AN EVENING OF DANCE"

The March Dance Concert was entitled "An Evening of Dance". The concert contained a wide range of music with selections by Ravel, Copland, Hayden and Joplin. Choreographed by Jacalyn Ewansky Bryan. The Saint Leo College Dance Ensemble professionally executed the mixture of musical pieces which made the concert exciting and a thrilling experience for the audience.

STUDENT GOVERNMENT ASSOCIATION AWARDS BANQUET

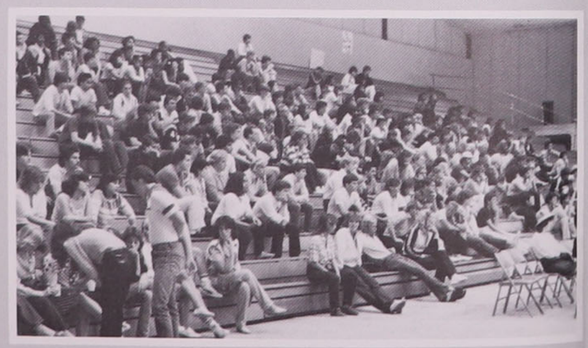
This year's annual SGA awards banquet was in memory of Dennis Quennevile with Mrs. Quennevile as the guest of honor. Aside from the presentation of awards, the night was filled with entertainment, the swearing in of next years executive board and the farewell speech to the student body from P.J. McMenanmin.

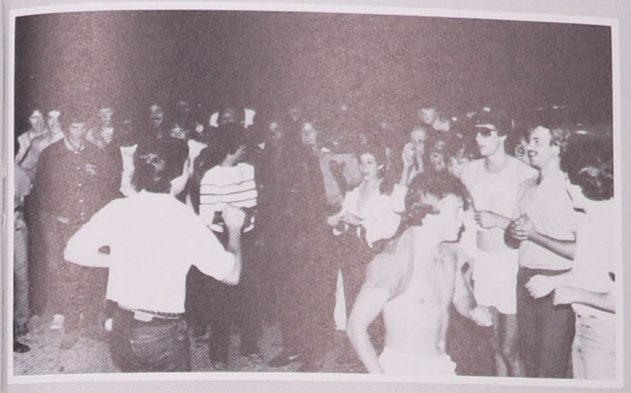


After the dinner at the annual S.G.A. Banquet the awards presentation began. Award winners were: Highest Grade Point Average: Freshmen — Diane Whitaker, and Charmaine Adderley; Sophomore — Harry Schonherr; Junior — Sandra Turnquest; Senior — Julianna O'Connor. Outstanding Students recognized were: Freshmen — Helene Colon; Sophomore — John Strang; Junior — Laurie Chmielewski; Senior — Jose Matos. Outstanding fraternity was awarded to Kappa Alpha Sigma. Outstanding Sorority was won by Alpha Sigma.

C.U.B. DAY

"One of the most requested acts on college campuses today", says Newsweek magazine about Tom DeLuca. To a packed house in the Marion Bowman Activities Center he hypnotized, energized and facinated Saint Leo students during his performance A clever entertainer, his show was very exciting and amusing.



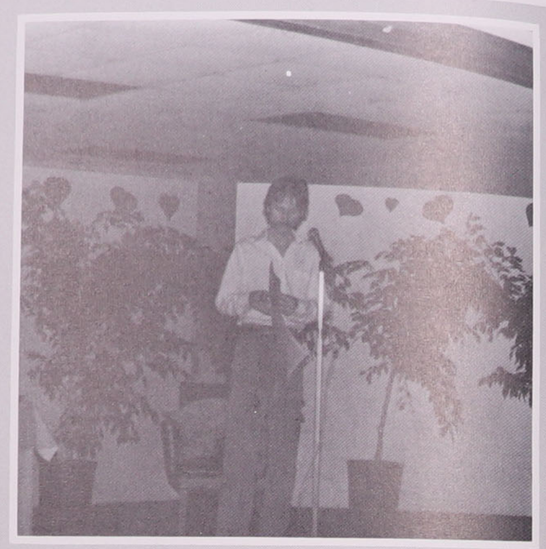


This year the College Union Board established what is hoped to be a traditional function — C.U.B. Day. On March 26, 1983 Saint Leo students experienced a day full of enjoyable activities. C.U.B. Day kicked off with a picnic style lunch on Henderson field. Immediately following, Tom Parks, who was voted #1 campus entertainer/comedian of the year, performed on the field. After that, organized games were coordinated between different teams with all sorts of prizes given out. Hypnotist Tom DeLuca performed in the Marion Bowman Activities Center. At the conclusion of two and a half hours of intriguing entertainment at the hypnotist performance, a Street Dance was held in the circle. C.U.B. would like to say "Thank you Saint Leo students for making all of this year's activities such a success.

SENIOR PROM '83

For the first time in 17 years the Senior Prom was held off campus. The seniors and their dates were able to spend an enjoyable night at Whispering Oaks Golf and Country Club dancing the night away to the music of "GAT-TARRO". The funfilled night was a great and memorable way for the seniors to spend one of their last evenings together.

Whitney Brown is a clever witty comedian who has a well honed sense of the ridiculous. He performs juggling tricks with objects such as razor sharp machetes, flaming torches, fruits and rubber balls. He performed in the Student Center on Valentine's Day.



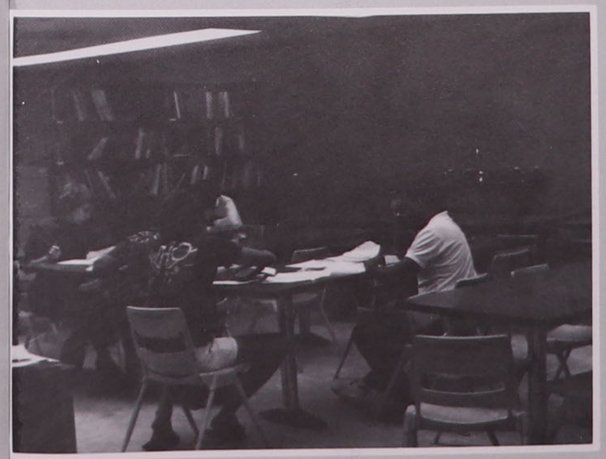
FISCHMAN'S FOLLIES

Senior Ken Fischman performed his final vaudeville act before a full house.

ACADEMICS

All students need time away from the books thus various activities are offered by the college for all to participate, providing a little rest & relaxation away from studies.

This last page of the activities section is reserved for academics. The one main activity that brings students to Saint Leo, the academic opportunities that the college has to offer. As this page represents, the academics on campus are not always just confined to the classroom. Students can constantly be seen broadening their horizons and academic outlooks in the library, conversing with colleagues, in brain bowls, or in outdoor classrooms.



The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and lovingness. If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

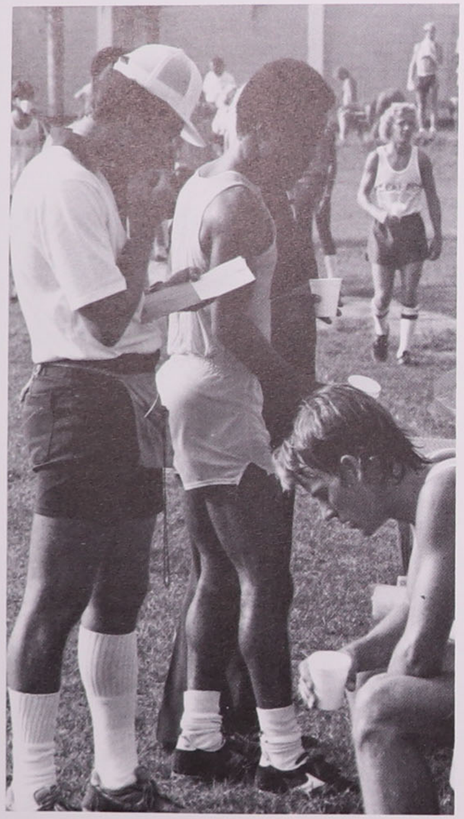
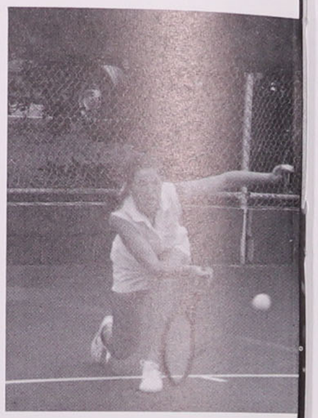
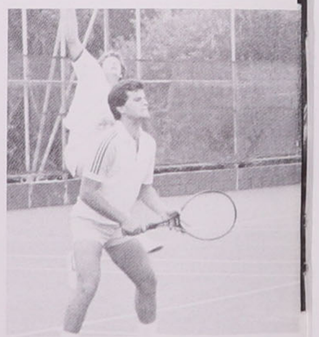
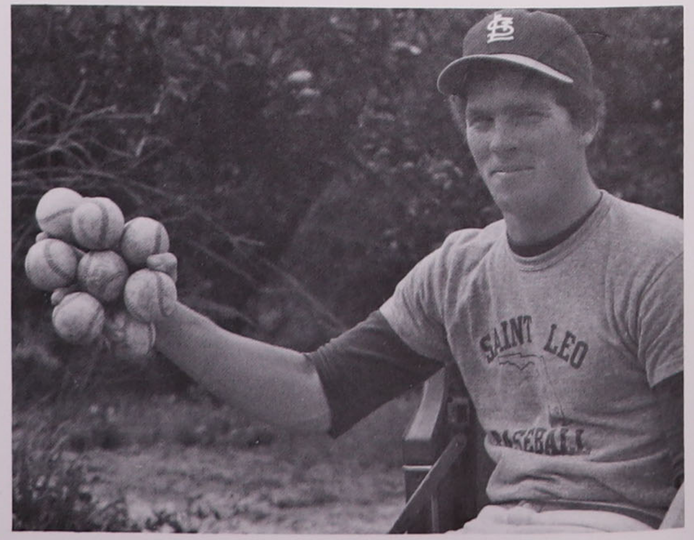
#9 Patrick Baboun 'plays' with the ball







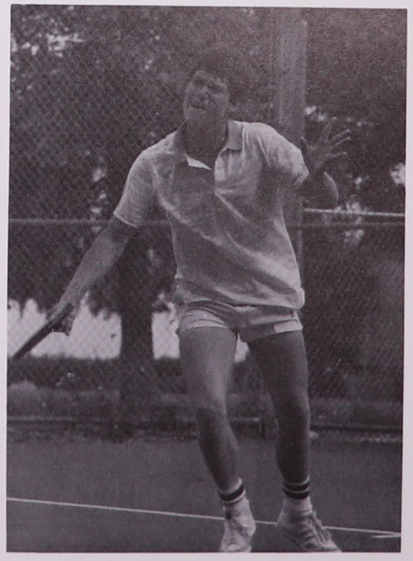


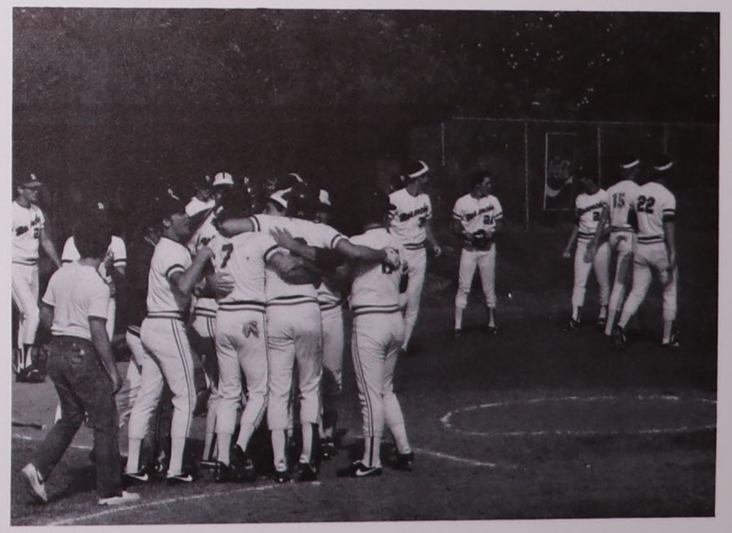
The year has been a good one overall for the Monarchs. Next year we hope that we would be able to bring home a few championships, but we need your continued support.

Many have left and many will join us next year, but to those of you who will remain — we need your support.

Congrats to Mike Malatestinic — St. Leo Athlete of the year.

Now let's look forward to a greater year.





"THANKS FOR THE MEMORIES"

Thanks for all the memories
in which you've played a part,
For they are always nearest and dearest
to my heart . . .
Thanks for all the memories that are
yours and mine alone,
For they recall so many special moments
I have known . . .
Thanks for all the memories
that time can never dim . . .
I never could repay you for
the joy I've found in them!

Senior Class Officers:

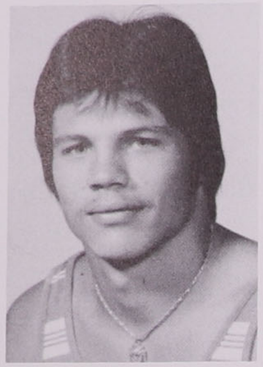
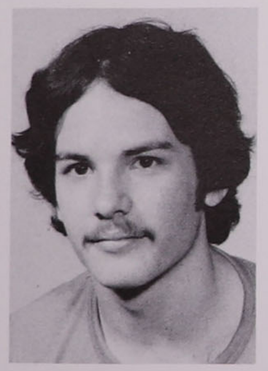
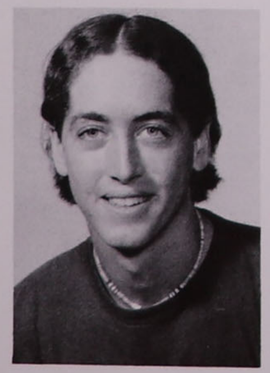
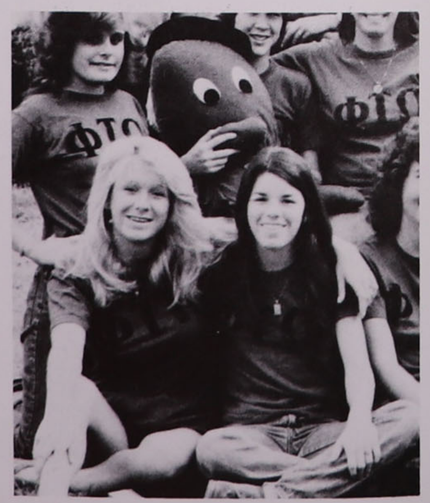
SENIORS: REMEMBER WHEN YOU WERE FRESHMEN?

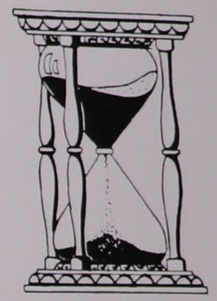
We are like dandelions crowding the field in a sportlight of sun. The light is beginning to fade and we must seek brighter light. We are like dandelions crowding the field — no longer young or golden-yellow; but older more experienced and fluffy-white, having drained all the riches out of the soil, leaving behind us new seeds to sprout in the sunny spotlight of life.

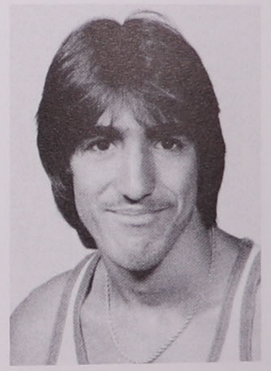


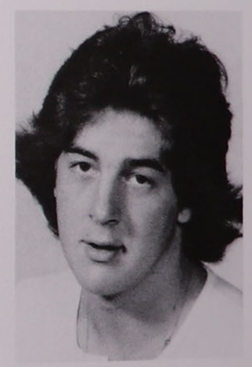




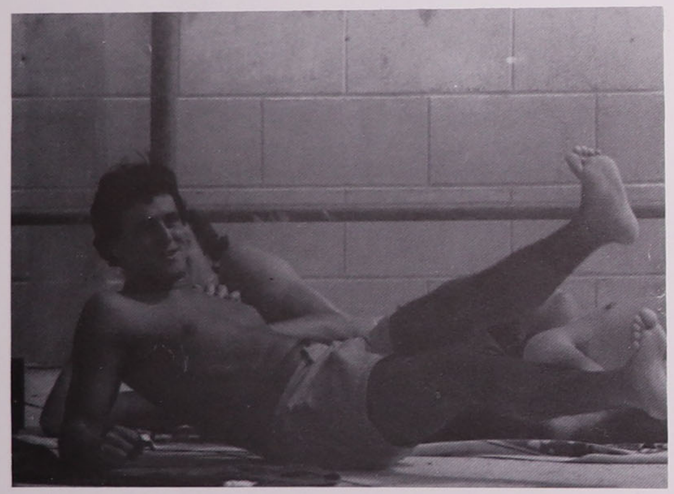


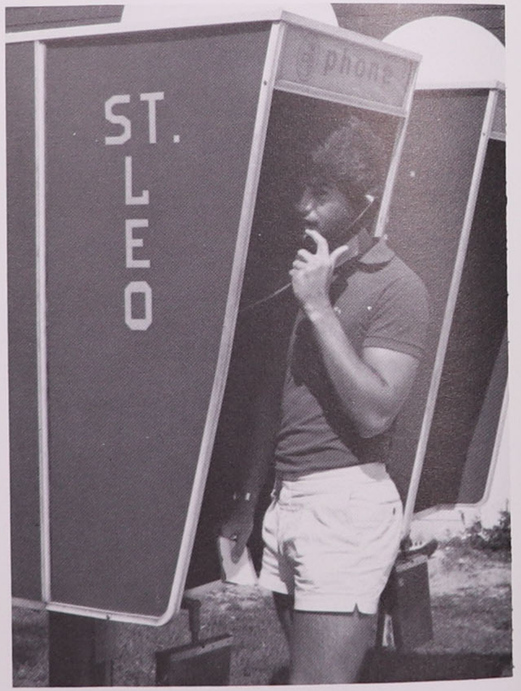






IT WAS ONLY FOUR "SHORT" YEARS AGO THE SENIORS WERE SAYING HELLO TO SAINT LEO, NOW IT IS TIME FOR THEM TO SAY GOOD-BYE.





LIFE AFTER CLASSES

After a day of classes and studying life about campus starts buzzing with a great rush for the outdoors where everyone can be found enjoying the beautiful weather. Students can be spotted every where about campus; in groups enjoying each others company or alone enjoying a moment of solitude to take in all the hustle and bustle.

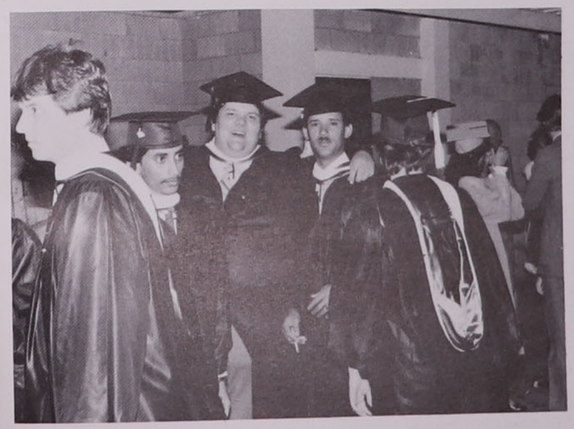
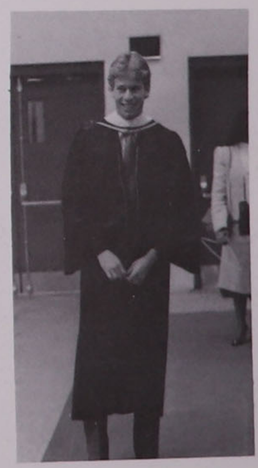
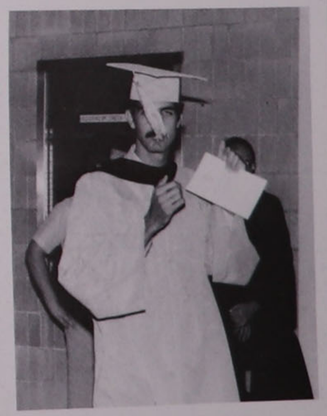
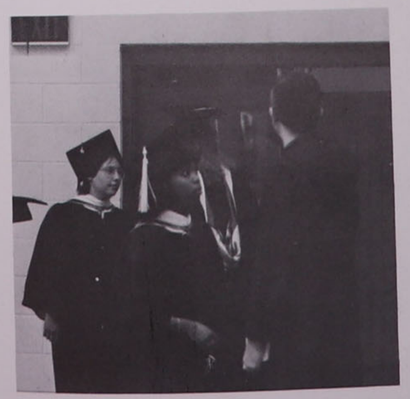
CLASS OF 1983
FAREWELL DANCE

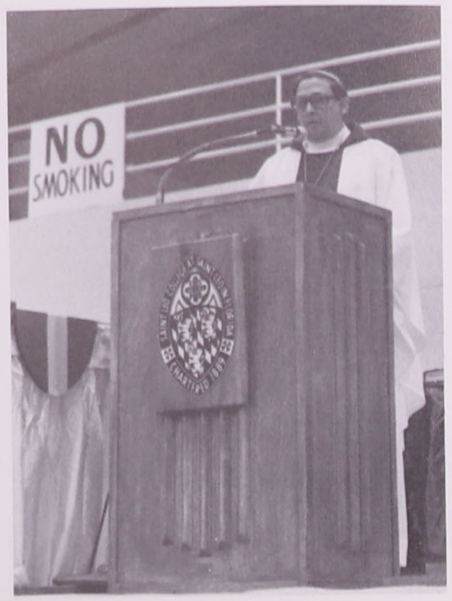




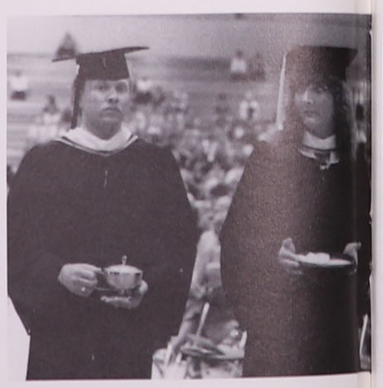


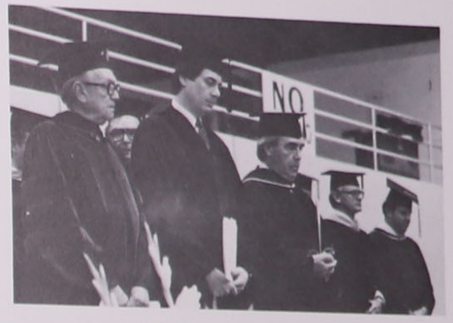


BACCALAUREATE MASS



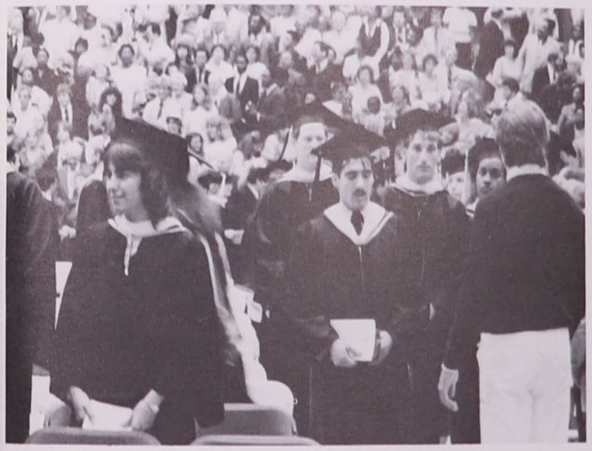
The Most Reverend Lawrence A. Burke, Bishop of Nassau, delivered the Baccalaureate Address.

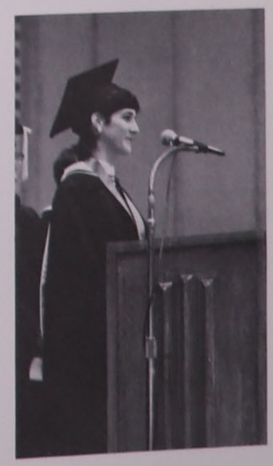




A record number of graduates graduated April 23, at the 17th Commencement Ceremony held at Saint Leo College. Three hundred thirty-seven candidates for graduation comprised the Class of 1983.

Dr. Manuel J. Justiz, Director of the National Institute of Education delivered the Commencement Address.

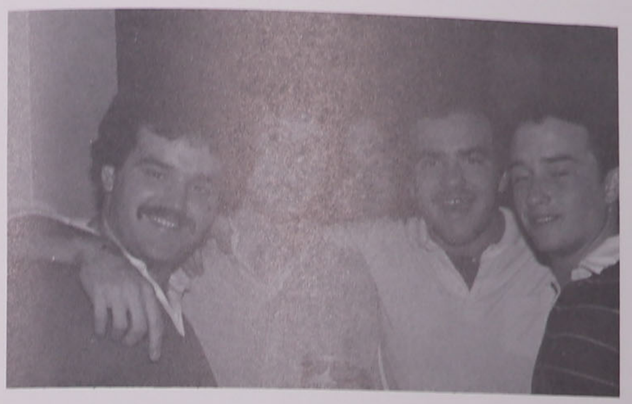


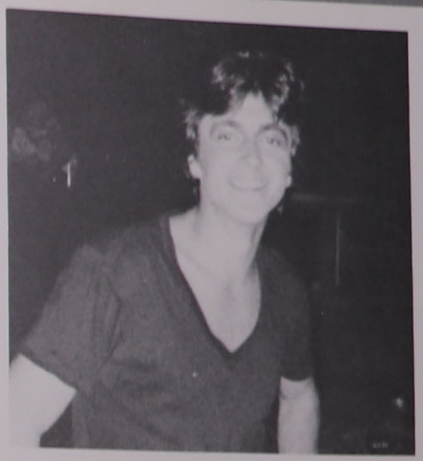


GRADUATION

The year 1983 will be remembered for all of the new, crazy trends that went through campus. Of course all the new (modern) fads, punk rock clothes, mini-skirts and throwing streamers at basketball games were represented around campus. But Saint Leo started a few of their own: everyone doing aerobics, guys with shaved heads, and also guys with pierced ears. Wonder what next year will bring.

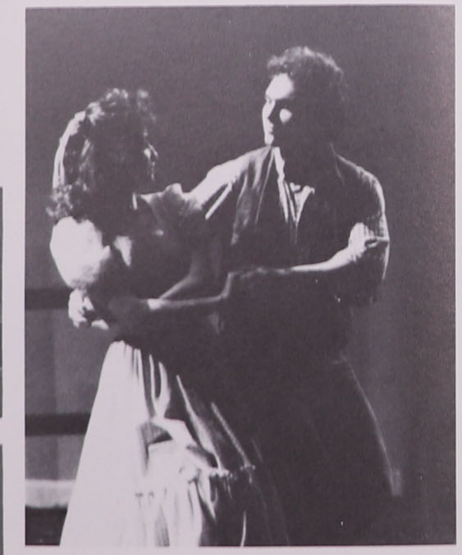
The atmosphere on campus is very relaxed, which allows everyone to do their own thing and be there own person.

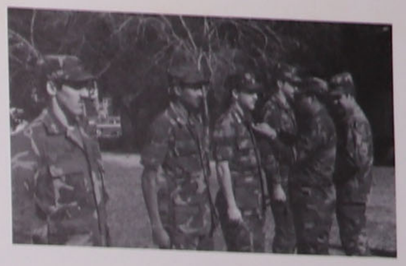


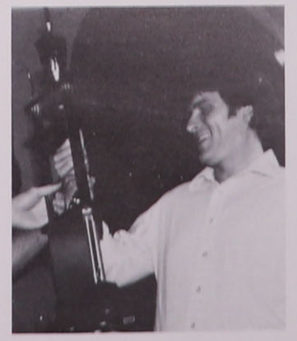


A *smile* costs nothing, but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or none is so poor but that he cannot be made rich by it. A *smile* creates happiness in the home, fosters good will in business and is the countersign of friendship.

A FLASHBACK LOOK AT THE YEAR: 1982-83.







I would like to take this final page of the 1982-83 *Golden Legend* to give credit and thanks to all those who helped me through the year. I would like to start with my Assistant Editors, Maureen Powers and Skip Macdonald. Skip, thank you so much for putting up with me and sticking by me through the long year, your help was greatly appreciated — I don't know what I would have done without you! Good luck with all your future endeavors.

Next I must thank Tony French, for there wouldn't be a yearbook without pictures. Tony, you're a great photographer and a great guy. Thank you for all of your hard work, your help was greatly appreciated, and I admire your patience. I owe a big thank you to Delton Farquharson for all of his help and creative ideas. I also want to thank Jim Heirs, Bill Foley and Loren Hocking for being bold enough to lend their hands to the yearbook — you all did a wonderful job!

To Kathy Britton, the yearbook advisor, thank you for putting up with all of us and all of the typical yearbook problems. To all of Student Affairs thank you for putting up with all of my running around and pestering questions. Also, I mustn't forget — Tami & Joy, thank you, you draw the best lines!

I owe an apology to all of my sorority sisters and friends. I'm sorry I let the pressures from the yearbook get the best of me — I'm sorry I took it out on all of you and that you were the ones who got stuck listening to me complain, because in reality without your encouragement I would have never made it.

I hope this book helps everyone to recall alot of good memories because that is it's purpose. If anyone feels they have bigger and better ideas for the next *Golden Legend* I give you much encouragement to be brave and volunteer your ideas and services because a complete yearbook is not something that can be easily done by a handful of people. Thank you for the experience of being yearbook editor, but honestly, it feels great to have my sanity back.

Sincerely,

Laurie Chmielewski
